

Dear Community Member,

The Down Syndrome Association of Jacksonville is asking for your support in raising awareness and funds for the 8th Annual Buddy Walk® 2010. The "Be a Buddy for a Buck" program is a way that your business or organization can show your community involvement and support for our local families.

- The "Be a Buddy for a Buck" program consists of local businesses/organizations making *Buddy Buck Stars* available for a donation of \$1 each.
- The business/organization will then display the *Buddy Buck Stars* prominently in their place of business.
- The program will run through October 1, 2010.
- A representative of the DSAJ will continue to monitor the campaign and will be responsible for collecting the donations at the end of this program.
- For more information [www.dsaj.org](http://www.dsaj.org) or call 904-353-6300.
