

Dining Out for Down Syndrome

Dear Community Member,

This year the Down Syndrome Association of Jacksonville is excited to offer you the opportunity to participate in the Dining Out for Down Syndrome campaign. This campaign is designed to raise awareness and funds to benefit people and families with Down Syndrome. Dining Out for Down Syndrome will coincide with our annual Buddy Walk Celebration. Read below to find out how easy and flexible it is to participate:

- Choose a time and date for the event.
- Determine the percentage of sales that you will donate during that time period.
- Make the DSAJ aware of your event so that it can be promoted and marketed. We will provide promotional and information materials for your event.
- A representative of the DSAJ will continue to monitor the campaign and will be responsible for collecting the donations at the end of this program.

*Thank you for supporting the
Down Syndrome Association of Jacksonville!*
